

ICS Elected Position Application Form

By applying for an ICS elected position you must be nominated and seconded by two ICS members. Please advise them to send an e-mail to the ICS office confirming this. Please complete the information below and send the completed form to info@ics.org by 1 March 2019 in order for your nomination to be considered.

The Board of Trustees recommend that a trustee does not hold another elected position within the ICS. This is due to the time commitment of the role of trustee. If you are applying for both a trustee post and another ICS elected post then please state which position you would prefer in the event of being successful in both applications.

Language

Whilst the ICS is an international organisation, English is the official language of the society. It is expected therefore that Trustees members must have a good understanding of spoken and written English, and should feel confident speaking within the Committee environment.

Name	<u>Adrian Wagg</u>
Occupation	<u>General physician / geriatrician</u>
Country of Residence	<u>Canada</u>
Qualifications	<u>MB FRCP (Lond) FRCP (Edin) FHEA</u>
ICS Membership Number	<u>1263 (I think)</u>

Position applying for	<u>Scientific Committee (other)</u>
Nominated by	
Seconded by	

What interests you in this ICS position (100 words maximum)	<u>I have a keen interest in ensuring that ICS remains a significant player in the scientific community in the field, allowing early career and established investigators the opportunity to present their work and disseminate their findings to the international community. As part of the scientific committee, I will be able to play a part in both of these functions</u>
--	--

Outline the skills, abilities and experience and what qualifications, if any, you could bring to this position and committee. (200 words maximum)	<u>I am a clinician scientist, with a reasonable career in publishing and grant funded research. I have good knowledge of quantitative and qualitative scientific method and am an active peer reviewer for many journals as well as being on the editorial board of PLoS one and IUJ (additionally have served on N&U). I have a record of accomplishment of committee participation and leadership, and am able to work effectively as part of a team in order to achieve agreed deliverables. I have some experience of the scientific committee as local Co-Scientific Chairman of the 2019 Gothenburg meeting.</u>
--	---

Please confirm if you hold any other positions within other societies: **Yes/No** (list out roles and societies if Yes)

Editorial board member for IUJ and IUGA member

Do you already hold the position and are standing for re-election? ~~Yes~~/No

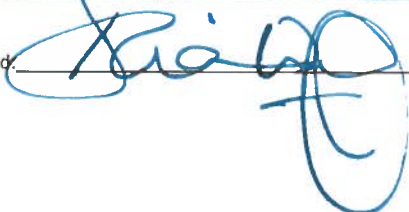

Check list

- I am an ICS member
- I have completed an online disclosure here: <https://www.ics.org/members/mydisclosure>
- I have uploaded a photo to my membership profile <https://www.ics.org/VContactEdit.aspx>
- I submit a short CV alongside this form (6 pages maximum)
- I have read the below policy on canvassing. See Appendix I
- (Where applicable) I have indicated a preference of position should I be applying for both trustee and another ICS elected position

Formatted: Indent: Left: 0.25", No bullets or numbering
Formatted: Indent: First line: 0.25", No bullets or numbering

I hereby confirm that I have completed my disclosure form/declaration of interest on my membership record on the ICS website, that I have read and understood the ICS Memorandum, Articles, and Bylaws, and the ICS Code of Conduct and agree to abide by these. If elected I understand what would be required of me to undertake an ICS position, and that I would accept the position. I also note that I am unable to canvass for my election to this post. In addition, I confirm that I am an upstanding member of the ICS and can confirm that I am not the subject of any disciplinary investigations, internal or external to my workplace.

Signed:  Date: 1/3/19

APPENDIX I

ICS policy on campaigning

Campaigning for ICS elected positions is not permitted by applicants or members. Any campaigning, be it positive or negative, will result in the disqualification of the candidate. The Board of Trustees' judgement will be final in determining whether a candidate has engaged in positive or negative campaigning. Negative campaigning is not permitted by any candidate or ICS member and will be considered a violation of the ICS Code of Conduct. This policy is in effect at all times and for any position.

During the voting period candidates' application forms will be circulated by the ICS office for all members to view. In addition, the ICS office will periodically contact all ICS members to encourage voting and provide direct links to the voting section of the ICS website.

CURRICULUM VITAE
Adrian Wagg, MB, BS, FRCP, FHEA (MD)

Current Appointment: Professor of Healthy Ageing & Division Director, Geriatric Medicine
University of Alberta, Faculty of Medicine and Dentistry, Department of Medicine
Business Address: 1-198 Clinical Sciences Building
11350 83 Avenue
Edmonton, Alberta T6G 2P4
Phone: 780.492.5338 Fax: 780.492.2874
Email: adrian.wagg@ualberta.ca
Citizenship: United Kingdom
Canada

Education and Training:
1983-1988 Bachelor of Medicine, Bachelor of Surgery, University of London,
London Hospital Medical College, London, United Kingdom
1991 MRCP (UK)
2000 Fellow College of Physicians, London, United Kingdom
2004 Certificate in Medical Education, University College London, London,
United Kingdom

Licensure and Certification:
1991 Membership of the Royal College of Physicians (UK)
2000 Fellow of the Royal College of Physicians of London
2008 Fellow of the Higher Education Academy, Higher Education Academy,
London, United Kingdom
2010 License, College of Physicians and Surgeons of Alberta (#016029-
current)
2013 Fellow of the Royal College of Physicians of Edinburgh

Current Academic Appointments:
2010–present Professor of Healthy Ageing and Division Director, Geriatric Medicine
University of Alberta, Edmonton, Canada
2011-present Medical Director, Seniors, Edmonton Zone, Alberta Health
Services, Edmonton, Canada
2016-2021 Chair, Faculty Academic Appeals Committee, Faculty of Medicine & Dentistry, University
of Alberta, Edmonton, Canada
2016-present Scientific Director, Seniors Health Strategic Clinical Network (SCN), Alberta Health
Services, Edmonton, AB
2017 – present Visiting Professor in Continence Research, Institute of Clinical Sciences, Shalgremska
University, Gothenburg, Sweden

Current Hospital Appointments:
2010-present Attending Physician and Medical Staff, Alberta Health Services,
University of Alberta Hospital, Glenrose Rehabilitation Hospital, Royal
Alexandra Hospital, Edmonton, AB

Awards/Honours:
2011 Best Internal Medicine Academic ½ Day Presentation, University of Alberta.
2012 Department of Medicine Teamwork and Collaboration Award: Seniors' Continence Clinic
2017 Chairs Award, Department of Medicine, University of Alberta

Editorial Activities:
2015 - present Editorial Board, *Current Geriatric Reports*
2016 - present Editorial Board, *International Urogynecology Journal*
2018 - present Editorial board, *PLoS ONE*

Elected Position Application Form

By applying for an ICS elected position you must be nominated and seconded by two ICS members. Please advise them to send an e-mail to the ICS office confirming this. Please complete the information below and send the completed form to info@ics.org by 1 March 2019 in order for your nomination to be considered.

The Board of Trustees recommend that a trustee does not hold another elected position within the ICS. This is due to the time commitment of the role of trustee. If you are applying for both a trustee post and another ICS elected post then please state which position you would prefer in the event of being successful in both applications.

Language

Whilst the ICS is an international organisation, English is the official language of the society. It is expected therefore that Trustees members must have a good understanding of spoken and written English, and should feel confident speaking within the Committee environment.

Name	Giovanni Mosiello
Occupation	PEDIATRIC Surgeon and Pediatric Urologist
Country of Residence	Italy
Qualifications	FEAPU, FEBPS
ICS Membership Number	5467

Position applying for	Scientific Committee
Nominated by	Mario Patricolo
Seconded by	Giuseppe Masnata

What interests you in this ICS position (100 words maximum)	I would like with my presence to increase attention to transitional care , to create connection between scientific activities of different committees, focusing on life-long care. I would like to give input for pediatric and adolescents aspects, that actually are lacking . I think that with my large clinical and scientific experience I can ensure suggestions for research, methodology, EBM clinical practice for this age at high standard .
---	--

Outline the skills, abilities and experience and what qualifications, if any, you could bring to this position and committee. (200 words maximum)	Actual Chair of ICS Children and Young Adults Committee (until August 2019), Member of ICI-RS, Panelist for 6th and 7th ICI Conference (Pediatric Chapter). Disease area coordinator for European Reference Network for rare and complex urogenital disease. Large experiences as organizer of Course, Congress, Workshop in Italy and Worldwide for different societies: ICS, ICCS, SIUP, SIUD, ESPU. Rewiever of NU, Rewiever for abstract selection for different societies. PI in different international clinical trial .PI for several research project for National Health Ministry . More of 20 years experience in countries with limited resource for teaching program give me the opportunity to know worldwide scenarios and needs I think that my presence could improve the multidisciplinary activities related pediatric, adolescents, Young adults, for transitional care of continence and long life care
---	--

Please confirm if you hold any other positions within other societies: **Yes**

Board of Italian Society of Pediatric Urologist

Do you already hold the position and are standing for re-election? **No**

Check list

- X I am an ICS member
- X I have completed an online disclosure here: <https://www.ics.org/members/mydisclosure>
- X I have uploaded a photo to my membership profile <https://www.ics.org/VContactEdit.aspx>
- X I submit a short CV alongside this form (6 pages maximum)
- X I have read the below policy on canvassing. See Appendix I
- X (Where applicable) I have indicated a preference of position should I be applying for both trustee and another ICS elected position

I hereby confirm that I have completed my disclosure form/declaration of interest via my membership record on the ICS website, that I have read and understood the ICS Memorandum, Articles, and Bylaws, and the ICS Code of Conduct and agree to abide by these. If elected I understand what would be required of me to undertake an ICS position, and that I would accept the position. I also note that I am unable to canvass for my election to this post. In addition, I confirm that I am an upstanding member of the ICS and can confirm that I am not the subject of any disciplinary investigations, internal or external to my workplace.

APPENDIX I

ICS policy on campaigning

Campaigning for ICS elected positions is not permitted by applicants or members. Any campaigning, be it positive or negative, will result in the disqualification of the candidate. The Board of Trustees' judgement will be final in determining whether a candidate has engaged in positive or negative campaigning. Negative campaigning is not permitted by any candidate or ICS member and will be considered a violation of the ICS Code of Conduct. This policy is in effect at all times and for any position.

During the voting period candidates' application forms will be circulated by the ICS office for all members to view. In addition, the ICS office will periodically contact all ICS members to encourage voting and provide direct links to the voting section of the ICS website.

CURRICULUM VITAE

Name **GIOVANNI MOSIELLO**

FEAPU **Fellow European Academy Pediatric Urology**

FEBPS **Fellow European Board Pediatric Surgery**

Date and place of birth : Rome, 21 april 1960,

Civil status : married , 3 children : 22,20,17 yrs old

Working position Senior Consultant Pediatric Urologist in Department of Surgery
Head of of Urological Unit for Reconstructive Surgery for
Continece and Neuro-Urology in Bambino Gesù Pediatric Hospital
Rome , ITALY

Education University of Rome, " La Sapienza" , Rome Italy
Degree in Medicine – summa (110/110) cum laude, 1985
Department of Surgery, Prof Castrini with experimental thesis on:
“ Role of electromanometry for evaluating fecal continence “

Education Specialization in *Pediatric Surgery* (50/50 cum laude)
University of Rome , Italy
Specialization, in *Urology* (70/70 cum laude) University of Florence
Master, 1 year, in Laparoscopic Urological Procedure
University of Rome , (50/50 cum laude)

Specialty Board Status: European Board of Paediatric Surgery: FEBPS, from 1995
Fellow European Association Paediatric Urology:FEAPU , from 2010

Specialized training stages and courses:

Madrid, Dallas, Chicago, Cambridge, Utrecht, Goteborg, Aarhus, London, Cardiff, Berlin, Halle :
mainly on Pediatric Urology, Neuro-Urology, Urodynamics, Functional Urology, kidney transplant.

Hospital Appointments

1986: Internship at Bambino Gesù Hospital

1988: Scholarship by the Italian Ministry of Health on kidney transplant

1989: Staff Assistant Surgeon at Bambino Gesù Pediatric Hospital

2003: Consultant for Neuro-Urology

2007 Senior Consultant and Head of the Research and Clinical Unit of Pediatric Neuro-Urology

2017 Senior Consultant and Head of Unit for Reconstructive Surgery for Continence and Neuro-Urology .

Internal Teaching activities :

Tutor of several fellowship and scholarship during time:

Pediatric Surgery, fellowship of Ministry of Health , 3 years (CG)

Pediatric Urology, fellowship of Ministry of Health, 1 year (DC)

Neuro.Urology, fellowship of Ministry of Health,3 years (MPP)

Urology, fellowship of Ministry of Health, 2 years (AM)

Medical degree scholarship, University of Amsterdam , 2 years (IJ)

Urorehabilitation and Neuro-Urology, University of Rome, 1 year (SB)

Urorehabilitation and Neuro-Urology, University of Rome, 1 year (MD)

Urorehabilitation and Neuro-Urology, University of Rome, 1 year (CS)

Urology, Capo Verde Government, 2 years fellowship (LLCA)

Staff of Bambino Gesù FEAPU Teaching Center from 2010 to 2018

Director of Bambino Gesù teaching Center for pediatric urologist for the European Community from 2019

Italian Teaching activities

Teaching Staff Master in Pediatric Urology University of Florence

Teaching Staff Master in Pediatric Urology University of Milan

Teaching Staff Master in Uro-Rehabilitation University of Bari

Tutor Pediatric Urology University of Parma

Overseas teaching activities (Tutor, visiting professor, master surgeon teaching staff)

Abu-Dhabi: Khalifa University Hospital,

Bangladesh: University of Mymensingh, Square Hospital in Dhaka, SMC Hospital in Khulna

Brasil: University of Rio de Janeiro

Canada; University of Montreal

Cambodia: Takeo Hospital

Capo Verde: Sao Vicente University Hospital in Milingo

Colombia: University Hospital of Maicao

Malaysia : University of Kuala Lumpur

Japan : University of Tokio

Rwanda: University Hospital in Butare

Vietnam: Children Hospital of Hanoi

Membership:

- Chair of the Children and Young adults Committee of International Continence Society
- Disease area Coordinator Work Stream 1.4, ERN EUROGEN
- International Conference on Incontinence Panelist
- Chair of the Children Committee of the Italian Society of Urodynamics from 2009-2018
- Board of Italian Society of Pediatric Urology since 2007
- Member of European Society of Pediatric Urology, European Association of Urology, International Society of Spinal Cord lesion, International Continence Society, International Children Continence Society, Italian Society of Urology, Italian Society of Pediatric Urology, Italian Society of Urodynamics,

Awards:

1993 , International Society of Microcirculation First Prize on research study on

Microcirculation evaluation on transplanted kidneys.

2009 International Spinal Cord Society Third Prize on clinical study on Sacral Neuromodulation

for Neurogenic bladder in children

Reviewer: J of Urology, J Pediatric Urology, NeuroUrology and Urodynamics

Organization of National and International Conference, workshop and board Committee

Chairman, organizer, faculty in over 15 congress, courses, workshop of ICS, ICCS, ESPU, EAU, ICI, and over 30 for Italian society of Pediatric Urology, Italian Society of Urodynamics, etc

Active in more in over 10 national and international advisory board and committees in pediatric urology, urinary incontinence, fecal incontinence, spina bifida.

Research

PI in over 10 multicentric III level international Studies

Director in over 10 research project partially or totally supported by the Italian Ministry of Health on neurogenic bladder wall fibrosis, spinal cord injury, botulinum toxin, sacral neuromodulation, mini-invasive urological procedure and quality of life and continence

National and International Network:

Academic

Collaboration with multiple national and International Institutes and Universities : University of Rome La Sapienza, University of Rome Tor Vergata, University of Rome S Andrea, University of Rome Gemelli, University of Bologna, University of Florence, University of Turin, University of Milan, University of Naples, University of Parma , University of Bari, University of Bristol ,

University of London, University of Munich, University of Frankfurt, University of Amsterdam, Cincinnati Children's Hospital, Miami Children's Hospital, Khalifa University Hospital in Abu Dhabi.

Companies

Collaboration with medical industries as expert: Allergan, BBraun, Coloplast, Dimed, Wellspect, Medtronic, Pfizer, Lifetech, Memphis, Ami Atoms,

Publications (see below attachment): 70 papers in PUBMED

ICS Elected Position Application Form

By applying for an ICS elected position you must be nominated and seconded by two ICS members. Please advise them to send an e-mail to the ICS office confirming this. Please complete the information below and send the completed form to info@ics.org by 1 March 2019 in order for your nomination to be considered.

The Board of Trustees recommend that a trustee does not hold another elected position within the ICS. This is due to the time commitment of the role of trustee. If you are applying for both a trustee post and another ICS elected post then please state which position you would prefer in the event of being successful in both applications.

Language

Whilst the ICS is an international organisation, English is the official language of the society. It is expected therefore that Trustees members must have a good understanding of spoken and written English, and should feel confident speaking within the Committee environment.

Name	Rosier Peter F.W.M.
Occupation	Senior Lecturer Functional Urology and Neurourology
Country of Residence	Netherlands
Qualifications	MD PhD Urodynamicist
ICS Membership Number	0974

Position applying for	Scientific Committee Specialist Representative (Other) – i.e. not Urologist, Gynaecologist, Nursing, Basic Science or Physiotherapist
Nominated by	
Seconded by	

What interests you in this ICS position (100 words maximum)	<p>The scientific committee (not-local) members will be able to ensure continuity in the scientific growth of the Society. The societies core values and scientific perspectives are especially but not exclusively visible during the Annual and other scientific Meetings. I intend to put maximum effort in cooperation with the organizing teams to achieve the best possible scientific program for these Meetings. ICS Meetings that shall have the ambition to truly represent the ICS philosophy of broadly discussing study results and evidence that is of value for practice.</p> <p>The multidisciplinary basis of the management of lower urinary tract, bowel tract and or pelvic dysfunctions as well as exploring the fundamentals of dysfunction and treatment are the core value of the ICS Annual Meetings that I aim to preserve.</p>
---	---

Outline the skills, abilities and experience and what qualifications, if any, you could bring to this position and committee. (200 words maximum)	<p>Earlier work in the ICS Standardisation Committee and helping to reshape it into the Standardisation Steering Committee learned me to govern a slightly wandering committee in the beginning of this century to the basis of a very stable and productive ICS-body. Earlier work as the 'founder'-chairman of the Urodynamic Committee and setting the standard for 'evidence based ICS educational activities' in the ICS teaching modules, I see a further challenge to raise the scientific and scholarly activity standards of the Society.</p> <p>As a longstanding member of the editorial board of Neurourology and Urodynamics I have been evaluating abstracts for the scientific Meetings since several years and was awarded top 10 reviewer of this Journal in 2009, 2011, 2014, 2016 and 2017 with a current total of almost 170 reviews.</p> <p>I bring a critical mind but also the ability to guide to consensus when necessary in committees, also outside ICS, having served as chairman of our university hospital's</p>
---	--

ethical review board and having worked as contributor, educator or project leader in the development wide range of scientific projects and of (national) multidisciplinary practice guidelines and evidence reviews . Furthermore I bring wide-ranging clinical as well as scientific personal experience as may be deduced from my CV.
Last but not least I have preserved my scientific independence and have never been involved in any satellite or directly commercially sponsored lectures at ICS or specialty meetings, and will continue to do so.

Please confirm if you hold any other positions within other societies: **No**

Do you already hold the position and are standing for re-election? **No**

APPENDIX I

ICS policy on campaigning

Campaigning for ICS elected positions is not permitted by applicants or members. Any campaigning, be it positive or negative, will result in the disqualification of the candidate. The Board of Trustees' judgement will be final in determining whether a candidate has engaged in positive or negative campaigning. Negative campaigning is not permitted by any candidate or ICS member and will be considered a violation of the ICS Code of Conduct. This policy is in effect at all times and for any position.

During the voting period candidates' application forms will be circulated by the ICS office for all members to view. In addition, the ICS office will periodically contact all ICS members to encourage voting and provide direct links to the voting section of the ICS website.

Utrecht, December, 2018

Peter F.W.M. Rosier

Working Address:

Dr. Peter F.W.M. Rosier, M.D Ph.D.

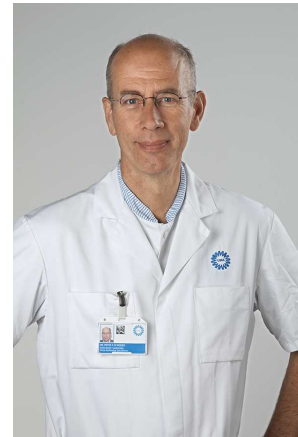

Senior lecturer functional urology and neurourology.

Department of Urology C 04.236,

University Medical Centre Utrecht,

PoBox 85500

3508GA Utrecht, The Netherlands

Curriculum Vitae:

January 2005- current: **Medical Staff, Senior Lecturer:** Department of Urology, University Medical Centre, Utrecht The Netherlands.

MD Functional urology and neuro -gynaeco-urology and urodynamics.

Clinical diagnosis and management

Scientific projects

MD-Education; Medical specialists-education and training; Nurses –education and training

Member: Research Ethics Committee UMCU (2006-) and *Vice Chairman* (2010-2015)

Teacher: Erasmus International Teaching Exchange program (2009-)

Medical Students University Utrecht Tutor

Project leader: (Yearly) Utrecht Urology Care Quality week (& Start-up for new residents) (2005-2017).

Teacher: Continence Care Advisors Training: SSSV (Stichting Specifieke Scholing voor Verpleegkundigen, Bunnik) (2005- 2010) Now: Antonius Academy Nieuwegein (2011-)

Teacher: Regional Urology Nurses Training, University Utrecht (2005-)

Project leader: Outpatient department logistics and organisation (project 'Uroflow'. 2006-7) Clinical health care (logistics) Improvement program.

Radiation Safety and Protection Certificate- Level 4 (MD) November 2005

Trial Monitor: GCP-monitor Certificate Julius Center Clinical Research, Utrecht, November 2011- recertified 2016.

January 2000 - December 2004: **Senior Advisor:** Netherlands Institute for Health Care Quality Improvement (CBO). Utrecht, the Netherlands.

Project leader: Multidisciplinary Clinical Practice Guidelines Development.

Project leader: Health Care Quality Improvement programs.

Member: Working group on Health Care Safety.

Experienced with Intramural; Trans-mural; Somatic and Mental Healthcare Quality improvement Projects.

January 1998 - January 2000: **Resident** in training Urology: Canisius Wilhelmina Hospital Nijmegen; Catharina Hospital, Eindhoven; Deventer Hospital, Deventer, The Netherlands. MD Clinical Practice

March 1996 - December 1997: MD **Post -doctoral in functional (neuro-) urology:** Department of Urology, University Hospital Nijmegen, The Netherlands, Functional and neuro-urology Clinical and scientific practice.

2 weeks Working visit: National Hospital for Neurology and Neurosurgery, London (1997)

Working visits clinical & fundamental research: Philadelphia; Pittsburg and Charlottesville.

June 1992- February 1996: **PhD Thesis**, Department of Urology, University Hospital Nijmegen, the Netherlands.

Thesis: Bladder function in elderly male patients.

MD-researcher: Clinical trials in functional neuro-urology (neurostimulation; neuromodulation;

A handwritten signature in blue ink that reads 'Rosier'.

Dr. Peter F.W.M. Rosier

LUTD- medication; erectile dysfunction).

March 1989 - May 1992 **MD grade; Resident** Department of Urology, University Hospital Maastricht, the Netherlands.

Clinical trials in BPH and Urinary incontinence

August 1982 - March 1989: **MD training** University of Maastricht, the Netherlands.

Included auxiliary courses: Computers in Medicine; Philosophy of (medical) science;

Primary care practice health care epidemiology and research

McMaster course: Development of a research protocol

August 1975 - December 1981: **Operating Nurse** St. Ignatius Hospital, Breda, the Netherlands.

B.I.G. (Dutch MD) registration: 79023571001

Drivers Licence: BE

Scientific Awards:

- Top Ten Reviewer Award: Neurourology and Urodynamics 2017
- F1000 Faculty Member of the year 2017
- Honorary Guest Lecturer Zhengzhou University, China 2017

(Recent) International Continence Society Annual Meeting Workshops:

ICS Philadelphia: Workshop: Urodynamics; Basic teaching modules.

ICS Philadelphia: Debate chairman: Do we need an international society of urodynamicists?

ICS Florence: Debate: The Future of Urodynamics; Chairman

ICS Tokyo 2016 ICS Urodynamic Committee Teaching Modules; Chairman

ICS Tokyo 2016: ICS Basic Urodynamics for Gynaecologists; Chairman

ICS Montreal 2015: ICS Urodynamic Committee Teaching Modules; Chairman

ICS Montreal 2015: Point counterpoint debate: 'Is it ethical to perform urodynamic investigation in patients with symptoms of stress urinary incontinence'; Chairman

ICS Rio the Janeiro 2014: ICS Urodynamic Committee Teaching Modules; Chairman

ICS Rio the Janeiro 2014: ICS Methods and practice of EBM-standardisation; Presenter

ICS Barcelona 2013: ICS Teaching Modules; Chairman /presenter

ICS Beijing 2012: Presentation of the first four ICS teaching modules (Chairman /Presenter)

ICS Beijing 2012: BPH/BPO what's new in diagnosis and treatment (Presenter)

ICS Glasgow 2011: Adult Dysfunctional Voiding, is that a diagnosis and do we have a treatment? (Chairman / Presenter)

ICS Toronto 2010: Diagnosis and treatment of female voiding dysfunction. (Chairman / Presenter)

ICS San Francisco 2009: Analysis of female voiding. (Chairman / Presenter)

ICS Cairo 2008: The Underactive Detrusor. (Chairman /Presenter)

ICS Cairo 2008: Advanced Urodynamics. (Presenter)

ICS Rotterdam 2007: Good Urodynamic Practice. (Presenter)
