Adrian Wagg

Consultant Geriatrician, Canada

“The website enables patients to make informed choices on the products they will need to manage their incontinence.”

Angela Rantell

Urogynaecology Nurse Specialist, UK

“I often recommend the website to patients when they are looking for alternative products.”

Rizwan Hamid

Consultant Urologist, UK

“It’s important for my patients to have detailed information on the catheters they use.”

Sandra Engberg

Continenace Nurse Specialist, USA

“An excellent resource for clinicians to refer patients to.”

Kaoru Nishimura

Urogynaecology Nurse Specialist, Japan

“The Continenace Product Advisor is a very useful resource for preparing teaching sessions.”

Hilda Matthews

Website user, UK

“Wow, it’s great to find a site which covers so many problems to do with incontinence and all the products and their variations.”
